# School Accountability Report Card Reported for School Year 2005-06 *Published During 2006-07*

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available at the California Department of Education (CDE) Web site at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office. DataQuest, an online data tool at <http://data1.cde.ca.gov/dataquest/>, contains additional information about this school and comparisons of the school to the district, the county, and the state.

## II. School Climate

### School Safety Plan

This section provides information about the school's comprehensive safety plan.

The primary concern in any emergency situation is for the safety and well being of the students and staff.

#### Emergency Exit Plan

It is mandatory that each room in Hillsides Education Center has an emergency exit plan posted near the light switch or door of each exit. The plan must consist of a map and written instructions in case of fire, earthquake or other emergency.

#### Drills

Fire Drills will be conducted monthly by Program Assistants. Earthquake Drills will be conducted each semester.

#### Staffing

The lead teacher in each classroom is responsible for the evacuation, evaluation and supervision of the students in each classroom during an emergency.

The lead teacher is responsible for staff and student head count.

The T.A.s and Co-Teachers are responsible for managing the behavior of the students, and in absence of a lead teacher, fulfilling the responsibilities of the lead teacher.

All staff certified in First Aid are responsible for tending to the medical needs of the students as necessary.

Program assistants are responsible for communication between classrooms, between administration and classrooms, contacting emergency services, and contacting parents and guardians.

All staff are responsible for the welfare of their students. Staff are required to stay with their students until notified by the director or administrator. Failure to do so may result in termination or possible legal prosecution for child endangerment.

### School Discipline Practices

This section provides information about the school's efforts to create and maintain a positive learning environment, including the school's use of disciplinary strategies.

### Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2003-04	2004-05	2005-06	2003-04	2004-05	2005-06

### Substitute Teacher Availability

This section provides information about the availability of qualified substitute teachers and the impact of any difficulties in this area on the school's instructional program.

--

### Teacher Evaluation Process

This section provides information about the procedures and the criteria used for teacher evaluations.

--

## V. Support Staff

### Academic Counselors and Other Support Staff

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	1	12
Library Media Teacher (Librarian)	.5	---
Library Media Services Staff (paraprofessional)	0	---

## VIII. Student Performance

### California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10, and 11; and history-social science in grades 8, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the CDE Web site at <http://star.cde.ca.gov>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

### CST Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Subject	School			District			State

### Norm-Referenced Test

The norm-referenced test (NRT), currently the California Achievement Test, Sixth Edition (CAT/6), shows how well students are doing compared to students nationally in reading, language, spelling, and mathematics in grades 3 and 7 only. The results are reported as the percent of tested students scoring at or above the national average (the 50th percentile). Detailed information regarding NRT results for each grade level can be found at the CDE Web site at <http://star.cde.ca.gov/>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

### NRT Results for All Students – Three-Year Comparison

This table displays the percent of students scoring at or above the national average (the 50th percentile) in reading and mathematics.

### California Physical Fitness Test Results

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting fitness standards (scoring in the healthy fitness zone on all six fitness standards) for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/pf/>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

## IX. Accountability

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

### API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

### API Changes by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

Group	Actual API Change			API Score

### State Award and Intervention Programs

This section will contain information about the school's participation in various state intervention and award programs only to the extent these programs were funded for the period addressed by this report.

--

### Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

### AYP Overall and by Criteria

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall		
Participation Rate - English-Language Arts		
Participation Rate - Mathematics		
Percent Proficient - English-Language Arts		
Percent Proficient - Mathematics		
API		
Graduation Rate		

### Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

## X. School Completion and Postsecondary Preparation

### Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

## Completion of High School Graduation Requirements

Beginning with the graduating class of 2006, students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2005-06 school year in the 12th grade, this table displays by student group the percent of students who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Due to the state's collection schedule for high school completion data, state level data for this reporting element will not be available for report cards published in the 2006-07 school year. Detailed information about the CAHSEE can be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/hs/>. Note: "N/A" means that the student group is not numerically significant.

## Career Technical Education Programs

This section provides information about the degree to which pupils are prepared to enter the workforce, including a list of career technical education (CTE) programs offered at the school.

*Hillsides Education Center offers a vocational class that specializes in Automotive Repair, Construction, and Food Service.*

## Career Technical Education Participation

This table displays information about participation in the school's CTE programs.

Measure	CTE Program Participation
Number of pupils	
Percent of pupils completing a CTE program and earning a high school diploma	
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	

## Courses for University of California and/or California State University Admission

This table displays for the most recent year two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in and completion of courses required for UC/CSU admission can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Indicator	Percent
Students Enrolled in Courses Required for UC/CSU Admission	
Graduates Who Completed All Courses Required for UC/CSU Admission	

### Advanced Placement Courses

This table displays for the most recent year the number of Advanced Placement (AP) courses that the school offered by subject and the percent of the school's students enrolled in all AP courses. Detailed information about student enrollment in AP courses can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

### College Admission Test Preparation Course Program

This section provides information about the school's college admission test preparation course program.

--

### SAT Reasoning Test

This table displays the percent of the school's 12th grade students who voluntarily take the SAT Reasoning Test for college entrance, and the average verbal, math, and writing scores of those students. Detailed information regarding SAT results, and comparisons of these average scores to the district and state levels, can be found at the CDE Web site at <http://www.cde.ca.gov/ds/sp/ai/>. Note: To protect student privacy, scores are not shown when the number of students tested is 10 or less.

## XI. Instructional Planning and Scheduling

### School Instruction and Leadership

This section provides information about the structure of the school's instructional program and the experience of the school's leadership team.

--

### Professional Development

This section provides information about the program for training the school's teachers and other professional staff.

--

## Instructional Minutes

This table displays a comparison of the number of instructional minutes offered at the school to the state requirement for each grade level.

Grade Level	Instructional Minutes	
	Offered	State Requirement
K	36000	36,000
1	50400	50,400

## Continuation School Instructional Days

This table displays a comparison of the number of instructional days offered at the continuation school to the state requirement for each grade level.

Grade Level	Instructional Days With At Least 180 Instructional Minutes	
	Offered	State Requirement
9		180 days
10		180 days
11		180 days
12		180 days

## Minimum Days in School Year

The section provides information about the total number of days in the most recent school year that students attended school on a shortened day schedule and the reasons for the shortened day schedule.

***Hillsides Education Center has minimum days once a month. These days are utilized for staff development and in-service training.***
