

Brazil conjures up images of tropical beaches, lush rainforests, colorful celebrations, and exotic dances like the Samba and Bossa Nova.

But this beautiful, vibrant country is even more. Brazil is one of the most diverse nations in the world, the people are renowned for their life-affirming attitude despite adversity, and throughout history, it has served as a safe harbor for those in need.

At its heart, Brazil is accepting, understanding, and resilient.

So, too, at Hillside's heart lies our commitment to helping children and families from all backgrounds through any challenge. We heal children from trauma and give them a place of safety and permanency.

This year's Annual Gala theme, Heart of Brazil, reflects the best that we, and this inspirational country, have to offer, which is love, trust, joy, and hope.

The Annual Gala will be held on Saturday, February 23, 2019 at The Langham Huntington, Pasadena. This event is our largest fundraiser of the year, and we invite you to make a contribution to our auction. Together, our hearts will beat as one for the children.
